

CATEGORIZED FIREWORKS GUIDE

Classification of 100 Fireworks by Occasion: Traditional Diwali vs. Modern Celebrations

To streamline event coordination and holiday planning, the 100 traditional and modern Indian fireworks have been structurally bifurcated below. **Category A** represents classic traditional noise and ground-based crackers primarily synchronous with Diwali festivities. **Category B** highlights low-smoke proximity pyrotechnics, visual novelties, and heavy aerial configurations highly favored for Marriages, Birthdays, Corporate Anniversaries, and New Year celebrations.

Category A: Traditional Diwali Items

This segment covers standard sound-heavy crackers, spinning ground wheels, and heritage family items traditionally used during the Festival of Lights.
